To keep dance affordable to everyone in the community, the Center offers several all you can dance nights for one low price. Sundays through Wednesdays offer great opportunities for dancers to dance more and pay less. Other days such as Thursdays, Fridays, and Saturdays and are pay as you go and are a wonderful follow up to our beginning programming.

Please watch the Center's schedule as we are beginning to offer more advanced or specialized classes.

While these classes are pay as you go, they too offer a great value as these classes tend to be smaller in attendance and are taught strictly at the level indicated. If you have any questions on these classes and levels please feel free to contact us.

If you are new to the Center and wish to come in and check out the event and decide to stay, please make sure that you sign in and pay at the front desk.
