People have asked:

Several people have asked why classes, days, and teachers have changed on the schedule this Fall. The schedule is now a 3-month schedule and class changes and the days of the week they are taught are rotated so that dances who have schedule restrictions get a chance to learn different styles of dance on the day they come into class. In addition, several dance educators are in school and the Center remains flexible to accommodate their school schedule each semester. If you have any other question, please feel free to call the Center at 517-242-8494.

New Fall Hours

Monday through Friday 1pm to 9pm
